 - a) Confidential information as defined by Article 3, Paragraph (2) shall be constituted by all information which is either explicitly classified as being confidential or for which, if disclosed, based on sound commercial reasoning, it cannot be ruled out that the interests of the Company may be jeopardized. A secret as defined by Article 3, Paragraph (2)

shall be constituted by any fact directly or indirectly related to entrepreneurial and Company-internal activity which is only known to a limited number of people, the confidentiality by Company officials of which, based on sound commercial reasoning, can be assumed to be desired and the confidentiality of which is required to serve the interests of the Company.

- b) The Chairman of the Supervisory Board shall be informed in advance if a member of the Supervisory Board intends to pass on to third parties information, the communication of which is not obviously permissible. If the Chairman does not approve the release of the information, (s)he shall inform the other Supervisory Board members of this and see to it that the Supervisory Board establishes a position on the matter immediately. The Supervisory Board member in question shall maintain strict silence on the information until said position has been established.
- (3) Every Supervisory Board member shall undertake to serve the Company's interests. When making decisions, no member may pursue personal interests or take personal advantage of business opportunities to which the Company is entitled. - (4) Every Supervisory Board member shall inform the Company and the German Federal Financial Services Regulator (Bundesanstalt für Finanzdienstleistungsaufsicht) without undue delay

and within three working days after the date of the transaction, at the latest, of any personal transactions involving shares or bonds in the Company or related financial instruments – especially those concerning derivatives (e.g. stock options). These obligations to provide information shall also apply in the event that the aforementioned transactions are made by individuals which are closely related to a member of the Supervisory Board. Such individuals shall be spouses, partners considered to be equivalent to a spouse, dependent children and a relative who has shared the same household for at least one year on the date of the transaction concerned as well a legal person, trust or partnership, the managerial responsibilities of which are discharged by a Supervisory Board member or which are subject to Article 3 para. 1 no. 26 lit. d) of the Regulation (EU) No 596/2014 of the European Parliament and of the council of 16 April 2014. The notification obligation shall only apply to any subsequent transaction once a total amount of EUR 5,000 has been reached within a calendar year. The threshold of EUR 5,000 shall be calculated by adding all transactions of a Supervisory Board member without netting.

§ 4 Chairman and Deputy

- (1) The Supervisory Board shall elect the Chairman and his or her Deputy from among its members in compliance with Article 27, Paragraphs 1 and 2 of the German Co-Determination Act (MitbestG). The election shall be held following the Annual General Meeting at which the Supervisory Board members representing the shareholders have been elected at a Super-

visory Board meeting that does not require a special convocation. The election process shall be over-seen by the eldest member of the Supervisory Board.

- (2) If the Chairman or his or her Deputy leaves the Supervisory Board before the end of his or her tenure, upon request of a Supervisory Board member, a new Chairman or Deputy shall be elected at a Supervisory Board meeting that shall be convened immediately, prior to any other resolutions being passed by the Supervisory Board.
- (3) The Deputy shall only be conferred the rights and duties of the Chairman if the Chairman is unable to exercise them and the law or the Articles of Association do not stipulate otherwise.
- (4) Statements made by the Supervisory Board and its committees shall be made by the Chairman in the name of the Supervisory Board. The Chairman of the Supervisory Board may discuss Supervisory Board-related issues – within reasonable limits – with investors. He shall subsequently inform the Supervisory Board on such discussions.

§ 5 Meetings

- (1) The Chairman of the Supervisory Board shall convene the Supervisory Board for a meeting at least twice within a calendar half year. Furthermore, the Supervisory Board shall be convened if this is requested by a member of the Supervisory Board or by the Executive Board, stating the purpose and the

grounds therefor. Such meetings shall take place within two weeks from their convocation. If this request is not complied with, the Supervisory Board member or the Executive Board may convene the Supervisory Board themselves, communicating the subject matter and an agenda.

- (2) Supervisory Board meetings shall be convened in writing, via facsimile, or via electronic media at least fourteen days prior to the day of the meeting. The agenda items shall be communicated together with the invitation. Draft resolutions on agenda items shall be communicated prior to the meeting early enough to allow for absent Supervisory Board members to cast votes in writing.
- (3) The Chairman may cancel or reschedule a convened meeting after a due assessment of the circumstances. The Chairman shall appoint the minute taker and decide on the involvement of experts and people furnishing information on individual agenda items.
- (4) The members of the Executive Board shall attend the meetings unless otherwise determined by the Chairman of the Supervisory Board.

§ 6 Passage of Resolutions

- (1) As a rule, Supervisory Board resolutions shall be passed at meetings. Absent Supervisory Board members may participate in the passage of resolutions at a meeting by submitting written votes through another Supervisory Board member. A vote

cast via facsimile or electronic media shall also be considered a vote cast in writing. An absent member may cast a vote retrospectively only with the consent of all present members.

- (2) The Chairman shall head the meeting. The Chairman shall determine the order in which the agenda items are discussed as well as the method and order of the voting. The Chairman may adjourn the discussion and passage of resolutions on individual agenda items after a due assessment of the circumstances.
- (3) Resolutions on agenda items that have not been communicated in good time may only be passed as long as none of the members objects to the procedure. In such cases, absent members shall be afforded the opportunity to object to the passage of the resolution within an appropriate time limit set by the Chairman; the resolution shall only become effective if none of the absent members has objected within the time limit.
- (4) A Supervisory Board resolution may also be passed outside of meetings through votes cast orally, via the telephone, in writing, via facsimile, or via electronic media upon the Chairman's request.
- (5) The Supervisory Board shall be considered to have a quorum if at least one-half of the members of whom it is to consist participate in the passage of resolutions. A member shall be deemed to participate in the passage of resolutions also if he or she abstains from casting a vote. The resolutions require a majority of the votes cast unless a different majority is compellingly prescribed by the law. In the event of a tie vote, and

when a new vote is taken on the same matter which results in a second tie vote, the Chairman shall have two votes. The second vote may also be cast in writing in accordance with Paragraph (1), Sentences 2 and 3. The Deputy Chairman shall not be entitled to the second vote.

- (6) If an unequal number of shareholder and employee representatives on the Supervisory Board participate in the passage of resolutions, or if the Chairman of the Supervisory Board does not participate, the passage of resolutions shall be adjourned if so requested by two Supervisory Board members. In the event of an adjournment, unless an extraordinary Supervisory Board meeting is convened, the renewed passage of the resolutions shall take place at the next regularly scheduled meeting. The next passage of the same resolutions may not be adjourned by a minority.
- (7) The Chairman shall prepare and implement the Supervisory Board's resolutions.

§ 7 Minutes of Meetings and Resolutions

- (1) Minutes shall be taken of the Supervisory Board's meetings, and these shall be signed by the Chairman. The minutes shall include the location and day of the meeting, the participants, the agenda items, the material subject matter of the deliberations, and the resolutions of the Supervisory Board. A copy of the minutes shall immediately be sent to every Supervisory Board member.

- (2) Resolutions that are not passed at meetings shall be recorded in minutes by the Chairman of the Supervisory Board. A copy of the minutes shall immediately be sent to every Supervisory Board member. Furthermore, such resolutions shall be included in the minutes of the next meeting.
- (3) The minutes according to Paragraph (1) or Paragraph (2) shall be deemed approved if none of the Supervisory Board members who participated in the passage of resolutions files a written objection with the Chairman within a month from the date on which the minutes were sent.
- (4) Resolutions passed by the Supervisory Board may be taken to the minutes verbatim at the meetings and signed by the Chairman immediately thereafter. Whenever resolutions are taken to the minutes separately in this manner, they may only be objected to at the meeting.

- (5) Other activities undertaken by an Executive Board member as defined in Article 88 of the German Stock Corporation Act (AktG) require Supervisory Board approval, as does other side-line employment of Executive Board members with due regard to the exercise of supervisory board mandates and mandates in comparable supervisory bodies of commercial enterprises that do not belong to the Group.
