Dividend Announcement

The ordinary Annual General Meeting on 4 May 2023 resolved to distribute the distributable profit for fiscal 2022 of RWE Aktiengesellschaft in the amount of EUR 669,517,604.65 as follows:

Payment of a dividend of EUR 0.90 per dividend-bearing share:	EUR 669,457,095.30
Profit carryforward:	EUR 60,509.35

The dividend will be paid out on 9 May 2023 by Clearstream Banking AG, Frankfurt/Main, via the depository banks with deduction of 25 % for capital gains tax and 5.5 % for solidarity surcharge on capital gains tax (all together 26.375 %) and (if applicable) church tax.

The deduction of the capital gains tax and the solidarity surcharge will not be applicable to shareholders who have filed a "non-assessment certificate" ("*Nicht-Veranlagungsbescheinigung*") issued by their local tax office with their depository bank. The same applies in full or in part to shareholders who have filed an "application for tax exemption" ("*Freistellungsauftrag*") with their depository bank, provided that the exemption volume in their application has not already been used up by other income from capital assets.

In the case of non-tax resident shareholders the withheld capital gains tax including solidarity surcharge can be reduced as specified by existing agreements concluded between the Federal Republic of Germany and the respective country to avoid double taxation. Any reimbursements are made by the Federal Central Tax Office (*Bundeszentralamt für Steuern*) on submission of an application.
